what is termed the working classes because of their influence in politics. There is no reason in the world why give voted to suspend the rule forbidating the taking up of a collection in in respect when no other class of the public schools. The exception was made in behalf of the National university, an institution tent is in men in the constitution provides for it, all heads of departments, whether state of a National University the school rule should have not been suspended. As good arguments in force of the industrial control of the month of the Matton and the constitution provides for it, all heads of departments, whether state or municipal, should see to it that those rule should have not been suspended.

still exhibits a sense of responsibility to the opinion of the nation; that the to the opinion of the nation; that the danger and disgrace are averted, but most likely be negligent in performing not all the evil consequences. It goes his legal duty in the matter of work. So thou and I together go? Companionship is all our need, Division all our work. country's honor and its prosperity when the senate, by a majority vote, and immembers of the house take the ground that the treasury is at liberty to pay the creditors of the government in a money that is now current and

it ylelded "

The president and the gold men in honesty at Washington," may be beauty to attempt to attempt to attempt to settle the curreacy question as it "should be settled," but if the ticket is a personal contract, and they make the attempt they will find the answer is very hackneyed.

The railroads are much more parabout their rights than those the ticket is a personal contract, and the answer is very backneyed.

The railroads are much more particular about their rights than those of the public and they never hesitate of the senate, and citing Mr. Cleveland's course on the repeal of the Sherman law as a precedent and as an encouragement.

It might as well be understood now as a future time that there will be no settlement of the currency question until after the presidential election in 1900, and not then unless it is settled in favor of favo In Hauniin DP, stands for Dole and

The education of the indians comes as at a future time that there will be a proper to appeal may prove a boomerang. If it as at a future time that there will be a proper to appeal to the federal government to pass laws that victually made in favor of free silver. It is the duty what the roads fix them at, it is equal-

appellation for Mayor Van Wyck, of Greater New York.

It is difficult to understand Germany's heatility to American products.

Since 1848 California has yielded 31.
205.586.589 in gold. There is nothing small about California.

Agrarianism being to Germany what bingleyism is to the United States. In Germany the plea in justification of all the orders against American food pro-In explaining why their mills have been shut down the cotton mill-owners against American food products is the health of the Germans; in the United States the plea in justification of the exclusion of foreign to lie down, at least until it has the Chinese lamb inside of him.

Germany the plea in justification of all the orders against American food products is going to act on this matter it might be just as well to pass a law forbidding railroads to sell contract tickets. The railroads have been products is that Americans must be producted against the pauper labor of courts, and to ask for more coddling is a lovely product to the paper labor of the courts, and to ask for more coddling is sent tree to any personal tree to ride on a scalper ticket. If the orders against American food products is the health of the Germans; in the United States the peak in justification of the Germans; in the United States the peak in justification of the orders against American food products is the health of the Germans; in the United States the peak in justification of the contract of the personal tree to any personal tree The proposition to place telephones in the public school buildings is a good in favor of our way of shutting out some FUNNY ARGU foreign products; it is aimed against the whole world, while Germany is om obNews.

The latest order is against American
fruit and fruit trees. Some years ago When it comes to resigning at the American pork was singled out as the jean citizens, and hence the islands equest of their state legislatures. Senting to be excluded from Germany, should not be annexed, it is answered thing to be excluded from Germany. Should not be annexed, it is answered that grinding monopoly, the Standard OH company, grinds out a million dollars a month for John D. Rockefoler.

The Belleve in preaching hell-fire." exclaims Evangelist Thompson of New York. His sermons must be "hot stuff," it is about time that a definite million to be annexed, it is answered that education in the islanders can all resid and write, and are generally fitted for American eithrenship. When Professor your Holat urges that the principles of the Declaration of Independence should be admexed, it is answered that education in the islanders can all resid and write, and are generally fitted for American eithrenship. When Professor your Holat urges that the principles of the Declaration of Independence should be admexed. ### WIT AND HUMOR.

Washington Star: "I am tired of these constant suspicions," exclaimed the politician, "I'm soing to demand an investigation,"

Chicago Nows: Myrtle,—Oh, dear, I wish I could think of some new way to say no. I've had to refuse so many men intely that I am positively becoming weaty of the old way of declining.

Alice—I wouldn't worry about that, dear. The follows probably enloy the love just as much as if you said something original each time.

### TALES OF THE DAY.

Fortune-telling In Washington. the capitol, where the historical paintings are. The guide-an old follow well informed, a triffe crasty, and easily put out by inattention on the part of his charges—was explaining to a New York excursion party the painting which represents Washington taking the oath of paesident. He let himself out a little and was followed with close attention by all the party but two, a viewcous young leady and a young man evidentily much fastinated by her charms. The young woman was seated or a bench and the young man was standing over her. She had hold of his hand, and between gigles was celling him his fortune by the these of his paint. The old guide saw the performance and was increased that they failed to be interested in his oration.

"Mas," said he rather sharply, to the young woman, "do you know what year to was that Washington took the eath of office."

The young girl blushed and said not.

St. Louis Republic: Between monometalism and bimetallism the line is now closely drawn. The Republican party has ringed itself on the sale of monometalism. The battle between the anndarists can now be wared without any diverting besides. Democracy stands for binedition.

Democracy stands for monometalism. Republicanism stands for monometalism.

Democracy stands for monometalism.
